### SATURDAYS WORKSHOPS

I am planning to do a Puppy Class before the Agility Workshop. Depending on participation, Puppy Class at 8:45 and Agility Workshops at 10:15.

Puppy Class – restrained recalls, tunnels, basic teeter/bang board, table, hand touches, eye contact, wrap wing... answer questions and maybe have a little puppy play session.

Agility Workshop – experience on at least one contact, intro to weaves, handling skills. More handling exercises without a dog, discussions, and trying harder handling experienced dogs. End time will vary depending on the number of teams.

**COST:** Puppy Class \$15

Workshop \$20 (if a guest instructor, the cost will be more)

**To participate, you MUST** let me know that you are coming. Shelly 219-776-6388.

Classes or Workshops may be cancelled at any time, especially if there are agility trials going on that I want to attend. So please check before heading to train!
