Puppy Classes start on
MONDAY, June 5, 2023 – Register Now

Paw Power Blues puppy class is a six-week course which will focus on socializing your new family member, as well as teaching important training foundations. In the puppy class you'll spend time learning together with your new best friend. You'll learn how to introduce your puppy to people, dogs, and new situations and distractions in a good way.

***Our puppy class is open to new puppies
as well as older dogs new to their forever-home families.***

The class is based on the AKC S.T.A.R. Puppy Program, developing S.T.A.R. Puppies and S.T.A.R. Pet Owners. For eligible puppies, our instructor will test you for the AKC program so you can register your friend as a AKC S.T.A.R. Puppy. You'll also learn about the AKC CGC, (Canine Good Citizen Program) that all class members will be eligible to earn after the class completion.

In our puppy class you learn the essentials for any new pet such as:

- Essentials of good vet care
- Walking on a leash with owner and in a group
- Introduction to people and dogs
- Learning to sit and down on command and go to their mat.
- Proper crate use and crate games.
- Coming when called, proper recall.
